INSTRUCTOR

Troopers Bob Wilson and Todd Savage, Illinois State Police

Course Description

This course is designed to certify police personnel as Breath Analyzer Operators and license them under the guidelines set by the State of Illinois Department of Public Health. It will address such issues as laws surrounding DUI arrest, physiology and pharmacology of alcohol in the human body, theories of breath testing, and operation of breath test instruments. Students will be trained on all approved breath test equipment, and will receive a complete student manual with valuable reference materials.

The program will be held during a two-day, 16-hour period. Training will be delivered through lecture and practical exercises. Students must achieve 70% on a written examination administered by the Illinois State Police in order to be licensed as a Breath Analyzer Operator. Students may miss no more than 10% of class and still receive a certificate of training. All laboratory assignments must be satisfactorily completed.

*It is limited to FULL TIME OFFICERS with a Minimum of 12 Participants and a Maximum of 24 Participants in the class. Lunch and/or hotel accommodations are on your own. Registration will be accepted until the class is full. **If you enroll and then find that you cannot attend, please notify us at once so that someone from the waiting list can attend.***

To Register: Email registration to register@mtu9.org. You may also submit through our [online registration](#) (be sure to include all pertinent information) or call 618-498-5611 to register by phone. ALL registrations must go through your Sheriff, Chief, or Training Officer.
