### **OUTLINE**

- Recognizing the profile of a potentially aggressive violence suspect
- The Dispatchers tactical role and response to an “active shooter event”
- Proper handling of missing or abducted child calls
- Great reminders of citizen and responder safety during domestic and family violence events
- Pre-planning strategies for handling in-progress events
- Questions you can ask to assist in the prosecution of suspects

There is a direct emphasis on the safety of field personnel as they are providing an “In-Progress” response. Their safety is our first responsibility in every situation we dispatch them to. This class’s main focus is communication and the safety of all involved. We learn from past incidents from the industry and work together to move forward in a positive way.
