PURPOSE OF COURSE

This 2-day class is for new and experienced detectives. It provides a comprehensive review of the skill set needed to be an effective criminal investigator. A successful criminal prosecution starts with a thorough investigation. Your experienced instructor will lead the participants through the steps of an investigation by reviewing case studies and actual criminal investigations. Along with the practical approach, investigate techniques that build the foundation of most investigations will be reviewed. The objective is to prepare the participant to be able to apply these skills in the field immediately.

COURSE OVERVIEW

The focus is to provide law enforcement personnel with specialized training that will assist in developing the knowledge and skill level needed to effectively and professionally conduct a criminal investigation. Each specific module has been designed for every participant to focus on self-evaluation and address their own strong and weak points, guided by their department guidelines, as they prepare to become professional and effective detectives.

From newer officers to the more experienced detectives, participants will learn a legal and ethical approach to criminal investigations.

COURSE GOALS: Attendees will learn:

- Command of Crime Scene
- Preservation of evidence
- Case Management
- Resources
- Warrants
- Debriefing Witnesses
- Search & Seizure
- Fourth & Fifth amendment issues
- Defining and addressing implicit bias
